## MAKE SIX OUT OF ONE

Multiple interlocks multiply the number of mounting points.

This means that not only one, but up to six padlocks can be hooked in. Up to six people thus independently secure the energy point against unauthorised reconnection.

## Technologies

- Vinyl coated high tensile steel
- Available with or without pry-resistant interlocking tabs for additional security
- Holds up to 6 padlocks

## Operation and use

- Lock out power switches during maintenance
- Ideal for lockout applications where more than one safety padlock has to be attached

## Variants

- Small (width 45mm): H701, H711
- Large (width 60mm): H702, H712
- H711, H712: With interlocking tabs for added security
