Aventor velvet black M

PROTECTION MEETS COMFORT

The ideal helmet for road riders with high expectations. The Aventor promises high comfort for both training and competitive use.

The combination of innovative design, the latest technology, outstanding functionality, maximum ventilation and a low weight make the Aventor a real allrounder. The Aventor is the perfect helmet for cyclists who need a cool head for riding in high temperatures and on challenging stages.

Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- Ponytail compatibility: Helmet good for people with long hair
- Half-surrounding plastic ring connected to adjustment system
- Lower edge protection: Provides the helmet with additional protection from external influences
- ActiCage: Structural reinforcement integrated into the EPS to optimize stability
- Zoom Ace: Fine adjustment system with handy dial for personalized fit

Tips

- ABUS Bag as accessory available
