

PRO SHIELD™ Plus 5950 NR black

Seite 1 von 2

BASIC PROTECTION WITH A HIGH LEVEL OF CONVENIENCE

The PRO SHIELD™ PLUS 5950 Frame Lock is the most convenient frame lock of its kind.

The Frame Lock PRO SHIELD™ PLUS 5950 offers more ways to protect your bike against theft. The 8.5mm shackle, made from hardened steel, gives a good level of basic protection against a medium risk of theft. The bike lock has an additional locking mechanism to which further accessories can easily be attached, for example the ABUS Frame Lock Chain, CHAIN.

Technologies

- 8.5 mm thick locking shackle
- The shackle, the case as well as supporting elements of the locking mechanism are made of special hardened steel
- Accessories can easily be fitted to the locking mechanism on the lock housing
- ABUS Plus cylinder for high protection against manipulation attempts, e.g. lock picking
- In the R version, the key remains in the cylinder when the lock is opened; in the NR version, it can be pulled out

Usage

- Good protection at medium theft risk
 - Recommended for securing good bicycles
