## TRUST THE PROFESSIONALS

Our GRANIT™ Padlock is the lock for the highest security demands, made in Germany.

The Granit 37/80 padlock meets the requirements of insurance companies and is one of our high security locks. So when it comes to protecting high valuable objects at a high risk of theft, rely on our Granit 37/80! Halls, gates, containers, or trucks can be reliably locked with this padlock. It is manufactured according to EN 12320 and has a special coating for improved corrosion protection. Lock body and shackle are made of hardened special steel, with an ABUS Plus disc cylinder inside. One of the two keys supplied is equipped with LED lighting. You can purchase this padlock with a code card or security card. With the code card, the number on the card is all you need to make keys at a retailer. With the security card, you keep control: Original keys can only be duplicated by presenting this security card. Tip: In combination with the Hasp 130, the protection is even more reliable.
