

Pedelec 2.0 velvet black L

Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- High visibility due to powerful reflectors
- Large, highly mounted and integrated LED tail light with 180° visibility
- Forced Air Cooling Technology: Sophisticated ventilation system for an optimal head climate
- Excellent ventilation with 4 air inlets and 9 air outlets connected with flow channels
- Ponytail compatibility: Helmet well suited to plait wearers
- Zoom Ace Urban: Finely adjustable adjustment system with handy adjustment wheel for customisable fit
- Size adjustment by means of a half ring made from particularly hard-wearing and slightly malleable plastic for optimal stability and form fitting
- Foamed-in fly nets
- Lower edge protection: Provides the helmet with additional protection from external influences
- Fidlock magnetic strap buckle
- Rain cover integrated in the helmet
