

Steel-O-Chain™ 810/85 Neon blue

SECURITY AT FIRST GLANCE

The Steel-O-Chain™ 810 NEON Chain Lock is particularly striking with its luminous paint.

Even an ABUS bicycle lock can reward courage to use bold colours. Everybody can see straight away that your bicycle is well secured. With its 8mm square chain, the Steel-O-Chain™ 810 NEON Chain Lock offers great protection against a medium risk of theft. Moreover, protection against drilling of the automatic cylinder and shock-resistant materials in the lock body contribute to the fact that the chain lock is difficult to crack, even under brutal attacks.

Technologies

- Specially hardened 8 mm square chain with textile sleeve to protect against damage to the paintwork and chrome
- Shock-resistant materials protect lock body from brutal attacks
- Automatic cylinder with protection against drilling and user-friendly reversible key
- Two keys are supplied in the scope of delivery

Operation and use

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the chain, the easier the bicycle can be locked to a fixed object

Tips

- Very easy handling, because only one end of the chain has to be locked
