

Steel-O-Chain™ 810/85 Neon blue

Technologies

- Specially hardened 8 mm square chain with textile sleeve to protect against damage to the paintwork and chrome
- Shock-resistant materials protect lock body from brutal attacks
- Automatic cylinder with protection against drilling and user-friendly reversible key
- Two keys are supplied in the scope of delivery

Usage

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the chain, the easier the bicycle can be locked to a fixed object

Tips

- Very easy handling, because only one end of the chain has to be locked
