Technologies

- 12 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Dark-touch function enables use in the dark, thanks to special number embossing
- Two-component number reels ensure long-term readability of the digits
- The number code can be set individually

Usage

- Great protection where there is a low risk of theft
- Recommended for protecting entry-level and children's bicycles

Tips

- Cable locks are characterised by good flexibility and relatively low weight
- The combination lock is great for use by several people
