

Tresor 1385/110 black

Technologies

- 7 mm square chain with fabric sleeve to prevent damage to the bicycle's paintwork
- The chain is made of specially hardened steel
- Two component moulded digits guarantee life-long visibility
- Special touch protection for higher security against unauthorized access to the code through manipulation of the mechanism
- Individually settable code

Usage

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the chain, the easier the bicycle can be locked to a fixed object

Tips

- This lock is available with different sleeve colours (aqua, coral, brown)
- The combination lock is very suited for the use by several people
