

GRANIT™ Quick 37/60HB70 Smoke black C/5B

Technologies

- 11 mm padlock shackle with shackle protection
- Double-locking mechanism securing the shackle in the lock body
- The shackle, shackle protection, body and structural parts of the locking mechanism are manufactured using specially hardened steel
- ABUS Plus cylinder for exceptionally high levels of protection against manipulation attempts such as picking
- Two keys are included in the scope of delivery
- Manual cover to protect the keyhole from dirt and corrosion
- ABUS Code Card for additional and replacement keys
- A Memory Clip to prevent you from accidentally pulling away with the motorbike still locked is included

Usage

- Great protection where there is a medium risk of theft
- Recommended for attended car parks or short stays

Tips

- You can order several one-key-fits-all locks. That means that a single key or mechanism can be used for several locks
- To increase security during longer parking times, you should lock your motorbike to a fixed object with an additional lock
