

# Racer 6415K/120/15 black + bracket SCMU

## Everyday cycling security

The ABUS Racer 6415K Cable Lock features a 15mm-thick spiral cable which deters thieves. It won't be so easy to steal your bike if you secure it with this lock. There is no need for a number code; simply lock it with the key and your bike is secured.

The ABUS Racer 6415K Cable Lock is available in lengths of 85cm and 120cm and weighs in at 440g and 595g respectively. The flexible spiral cable lock can be mounted on the frame, seat post or luggage rack in the snap cage bracket included, so you'll always have it to hand.

## Technologies

- 15 mm thick, high-quality super flexible steel coil cable
- Plastic coating to prevent damage to the bicycle's paintwork

## Operation and use

- Great protection where there is a low risk of theft
- Recommended for securing inexpensive bikes

## Tips

- Cable locks boast excellent flexibility with a relatively low weight
- The lock is ideal as a second lock for securing components
