

Tresor 6415C/85/15 black

Technologies

- 15 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Dark-touch function enables use in the dark, thanks to special number embossing
- Two-component number reels ensure long-term readability of the digits
- The number code can be set individually

Usage

- Great protection where there is a low risk of theft
- Recommended for securing inexpensive bikes

Tips

- Cable locks boast excellent flexibility with a relatively low weight
- The combination lock is great for use by several people
- The longer it is, the easier it is to lock to a fixed object
