

U-Mini 40/130HB140 red

Technologies

- Hardened 14 mm round shackle
- Innovative soft-touch plastic casing around the lock body to prevent damage to paintwork
- Special, modern design of the lock body casing allows for optimum handling
- The shackle, the body and the load-bearing parts of the locking mechanism are manufactured using specially hardened steel
- Four keys included with the lock

Usage

- Great protection where there is a high risk of theft
- Ideal for securing high-value bicycles
- Lightweight courier's lock
