Technologies

- 14 mm thick, high-quality and super flexible spiral cable
- PVC-coating in matt black look to prevent damage of the bicycle's paintwork
- ABUS Extra-Classe cylinder with encoded reversible key
- Two keys are supplied in the scope of delivery

Usage

- Good protection at low theft risk
- Ideal for securing entry-level bicycles

Tips

- This lock can be ordered keyed alike to other locks. This means several locks would match one key, respectively key code
 - Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
