

1950/180 black

Technologies

- 7.5 mm thick and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork

Usage

- Basic protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The lock is ideal as a second lock for securing components
- This lock is also available in bright children's colours
