

Multicombiloop 215/185 black

Technologies

- 8 mm strong premium steel cable
- Synthetic coating to prevent damage to the bicycle's paintwork
- Integrated adapter in the body for a conversion from one loop to a double-loop cable
- Individually settable code

Usage

- Good protection at low theft risk
- Recommended for securing entry level bicycles or high-value accessories
- Multi-purpose application for garden, home, leisure activities and work
- Through variable adjustable loops, the attachment on stable objects or the connection of various objects is highly flexible

Tips

- Cable locks stand out due to good flexibility and quite low weight
- Thanks to the flexible and adjustable loops, the total length of about two meters can be ideally used and adapted to different objects.
