

Everyday bike secured quickly

The Primo 580 is a good-value, lightweight cable lock with which you can quickly secure your bicycle in many everyday situations.

With the Primo 580, ABUS has created a lightweight lock which weighs just over 250g, so not just adults, but also children can bring it with them every time. So it does not have to be stored on the luggage carrier or in the bicycle basket, a matching bracket is available. Simply install the LL bracket onto the saddle clamp bolts and the ABUS Primo 580 will always be out of the way.

Technologies

- 12.5 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle's paintwork
- ABUS automatic cylinder with user-friendly reversible key
- Two keys are supplied in the scope of delivery

Operation and use

- Great protection where there is a low risk of theft
- Recommended for securing low-range and children's bikes

Tips

- Cable locks boast excellent flexibility with a relatively low weight
 - This lock is also available in bright children's colours
-
