

Booster Pro 670/180 15LL + URB

Technologies

- 12 mm thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork
- ABUS automatic cylinder with drilling protection and user-friendly reversible key
- Two keys are supplied in the scope of delivery

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The lock is ideal as a second lock for securing components
