UP TO EIGHT KEYS

Our KeyGarage™ Mini 737 allows flexible and temporary key transfer, for example to mobile care services or vacation guests.

The KeyGarage™ Mini 737 with shackle is a great way to give up to eight keys to different groups of people. For example, if you're renting out your vacation home or apartment? The KeyGarage makes uncomplicated key transfer possible, at any time of the day or night. All you have to do is tell your guests the four-digit numerical code, which you can then easily reset or change for the next guests. Or if you've hired a mobile care service, for yourself or your parents? With the numerical code, care staff can access the house keys and get into the apartment or house without any problems or keys. The key box is made of a robust metal housing. The cap can only be opened with the individually set numerical code. A plastic cover protects the KeyGarage™ from rain and dirt. It attaches with a shackle, for example, on a doorknob.

Technologies

- Solid metal housing
- Locking cover made from zinc die-cast with plastic dials
- Individually resettable code (4-digit)
- Plastic cover protects against moisture and dirt
- Fixing with shackle, e.g. on door knob
- Compact size with capacity up to 8 keys
- Outer dimensions of housing: 95 x 62 x 38
- Housing and shackle plastic coated (protects door from scratching)
