THE ULTIMATE ONE KEY SOLUTION

The versatility of the ABUS X60 door cylinder range allows users to use the same key for their front and back door, garage, storage units and now their bike without compromising on security – creating the ultimate one key home.

The ABUS X60 euro profile is available as a euro double, thumb turn, half and rim cylinder as well as padlock.

For cyclists the ABUS Bordo 6000PZ /90 bike lock can be purchased along with the ABUS X60 advanced euro profile 3*security cylinder, making it possible to add a top-of-the-range security bike lock to a keyed alike home system.

Homeowners, increasingly conscious of home security, are becoming aware of the benefits of a keyed alike system for their property. This offers locksmiths a real opportunity to help their domestic customers upgrade their whole security systems, now including valuable bikes, and e-bikes, all using one key.
