Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- Ponytail compatibility: Helmet well suited for braided wearers
- Good ventilation with 5 air inlets and 7 air outlets connected with flow channels
- Semi-enclosing plastic ring connected to the adjustment system for optimum stability and form-fitness
- Bottom edge protection: Protects the helmet from external influences
- ActiCage: Structural reinforcement integrated in the EPS to optimise stability
- Zoom Ace: Fine-adjustment system with non-slip adjustment wheel for individual fit
- GoggFit: Ensures safe positioning of the glasses and provides storage space when not in use
- BrackTech: Camera Mount - secure fixing of action cameras

Tips

- The transparent visor gives the wearer good all-round vision without having to take their eyes off the trail
- ABUS Bag available as an accessory
