

CLX/WLX Extension set 20 mm

Art.-Nr. 501485

Seite 1 von 1

This adapter extension, including bolts, is suitable for a 20 mm extension of the inside or the outside of a wAppLoxx or CodeLoxx double knob cylinder.

Technologies

- Flexible adjustment of the length on site
- No expensive cylinder returns in the event of measuring errors
- Suitable for all CodeLoxx and wAppLoxx double knob cylinders
- Only requires one extension set for each side (exterior and interior)
- Interior side extendible by 20 mm max.
- Extension sets of 25 and 30 mm for external use only
