

1.5V C/LR14 Alkaline Battery Procell Baby

Art.-Nr. AZBT10300

Seite 1 von 1

The Procell Alkaline Constant Power C-industrial battery is ideal for powering professional devices which require constant current over a long period of time.

Technologies

- Replacement battery for FUSG80100

Technical data - 1.5V C/LR14 Alkaline Battery Procell Baby

Battery - quantity	1
Battery - type	Alkaline
Capacity	9,038 mAh,
Dimensions	50,0 x 26,2 Ø mm
Gross weight	0,07 kg
Height	50 mm
Max. operating temperature	54 °C
Min. operating temperature	-20 °C
