

Numero 5510C/180/10 lime SCMU

Technologies

- 10 mm thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Dark-touch function facilitates use in the dark thanks to special embossing
- Two-component number reels ensure long-term readability of the digits
- The number code can be set individually

Usage

- Good protection at low theft risk
- Recommended for securing entry-level and children's bikes

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
 - The combination lock is particularly suitable for use by several people
-
