

Tresor 1385/75 black

Technologies

- 6 mm square chain with fabric sleeve to prevent damage to the bicycle's paintwork
- The chain is made of specially hardened steel
- Two component moulded digits guarantee life-long visibility
- Special touch protection for higher security against unauthorized access to the code through manipulation of the mechanism
- Individually settable code

Usage

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the chain, the easier the bicycle can be locked to a fixed object

Tips

- The lock is covered in a textile sleeve, which is available in various colours (black, neon green, neon blue, neon orange and neon pink)
- The combination lock is particularly suitable for use by several people
