

# My first ABUS 1510/60 Princess Lillifee

## Technologies

- 4 mm thick rounded chain with textile sleeve to prevent damage to paintwork
- The chain is made of specially hardened steel
- Specially-made children's lock in a "Princess Lillifee" design
- Easy handling thanks to the automatic cylinder –it's child's play
- Both the lock and lock housing are ergonomically designed for children
- Two heart-shaped reversible keys and an exclusive key ring are included

## Usage

- Basic protection against theft for children's bicycles

## Tips

- The ABUS 1510 "Princess Lillifee" is best suited for use as a learning lock for children
