

BORDO Combo™ 6100/75 white ST

Technologies

- 5 mm bars with extra-soft two-component casing to prevent damage to paintwork
- The bars and body are made of specially hardened steel
- Bars are linked with special rivets
- Two-component digit cylinder ensures long-lasting legibility
- Individually configurable code

Tips

- The combination lock is great for use by several people
- BORDO™ family: Perfect combination of durability, flexibility, weight and transport dimensions
