

Anuky diver S

Page 1 of 1

Technologies

- In-Mold for a durable connection of the outer shell with shock-absorbing helmet material (EPS)
- Extended visor for increased face protection
- Helmet extends to the temple and neck areas for better all-round protection
- Integrated LED light in the adjustment wheel for increased safety in darkness or dawn/dusk
- Lower edge is designed to protect against damage from typical use by children
- Zoom Evo Kids - fine adjustment system with a non-slip adjusting wheel
- Size is adjusted with a ring made of robust and flexible plastic for optimum stability and adaptability
- Excellent ventilation with 3 air inlets and 3 air outlets
- Removable and washable padding for maximum wearing comfort
- Integrated fly net
- Passive safety thanks to reflectors

Tips

- This helmet was developed specially for children and their requirements
- Rain cap available as an accessory
