

4003318232657

**Usage**

- Transport mostly cable, coil cable and Steel-0-Flex locks
- Mounting on round and non-round frame profiles with a diameter of 21 - 80 mm
- Flexible textile sleeve for mounting
- Mounting within the frame or at the side possible
- Simple and time saving mounting

Tips

- In addition to a lot of locks, this bracket can be used for many of our saddle bags of the ABUS program
