

Pedelec concrete grey L

Technologies

- Double shell for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- Round, discreet design with low temple and neck area
- Zoom Evo Adult – fine adjustment system with a non-slip adjusting wheel
- Size adjustment by means of a half ring made from particularly hard-wearing and slightly malleable plastic for optimal stability and form fitting
- Large, highly mounted and integrated LED tail light with 180° visibility
- Removable and washable padding
- Soft straps that are simple to fit thanks to practical strap adjusters
- Rain cover integrated in the helmet
- Integrated fly net and removable visor
- Special bottom edge protectors to protect against damage
- Passive safety through large-area reflectors
- Fidlock magnetic strap buckle

Tips

- This new helmet is especially suitable for pedelecs in the city
- The models "fashion green", "fashion pink" and "fashion blue" go perfectly with the uGrip BORDO™ 5700
