

SUBTLE AND MODERN

With the Tresor 1385 Color you will find a perfectly coloured chain lock to secure your bicycle.

Equipped with a combination of numbers, the lock is easy to use. The complete plastic coating of the lock body and the distinctive textile hose of the chain prevent damage to the paint on the bicycle to be secured.

Technologies

- 6 mm square chain with fabric sleeve to prevent damage to the bicycle's paintwork
- The chain is made of specially hardened steel
- Two component moulded digits guarantee life-long visibility
- Special touch protection for higher security against unauthorized access to the code through manipulation of the mechanism
- Individually settable code

Operation and use

- Good protection at medium theft risk
- Recommended for securing good bicycles
- The longer the chain, the easier the bicycle can be locked to a fixed object

Tips

- The lock is covered in a textile sleeve, which is available in various colours (black, neon green, neon blue, neon orange and neon pink)
- The combination lock is particularly suitable for use by several people
