

# Alarmbox + chainlock Catena 6806K/75 black

Seite 1 von 1

## ALARM IN MANY RANGES

The Alarmbox is a box with many functions and applications.

You can easily protect your belongings against theft. Be it the children's stroller in front of the doctor's office, the barbecue in the garden or the trailer in front of the house. With the alarm box from ABUS you can have it safe.

## Technologies

- Alarm function with min. 100 dB for 15 seconds, thereafter automatic re-arming
- 3D position detection senses impacts and small movements in all dimensions and triggers alarm
- Intelligent alarm – after short or small movements e.g. from a football etc. the lock gives a short warning signal
- Incl. CR2 battery
- Secure mounting on the bike
