

Angled strike plate WST hammerblow gold (L 25x32)

Seite 1 von 2

HOUSE DOORS RELIABLY PROTECTED

With this angled strike plate you protect your front doors against unauthorised entry.

You should always be able to rely on the safety of your front door. Increase this with this angled strike plate. The strike plate is particularly suitable for mounting on DIN right and DIN left front doors. The steel construction makes it particularly robust.

Technologies

- Steel strike plate

Operation and use

- For main entrance doors
- Alternatively can be combined with the door openers ET 50/60/70/80 and MT90

Variants

- Finish: hammer blow gold
- For DIN right or DIN left doors (two versions)
