

# MountK snow white M

Page 1 of 3

## Technologies

- In-Mold for a durable connection with the outer shell with shock-absorbing helmet material (EPS)
- High visibility due to bright reflectors
- Good ventilation with 5 air inlets and 10 air outlets connected with flow channels
- Size adjustment by means of a full ring made from hard-wearing and slightly malleable plastic for optimal stability and form fitting
- Bottom edge protection: Also protects the helmet from external influences
- Fly net for protection against insects

## Usage

- Adult and youth helmet for sporty road, mountain bike and trekking use

## Tips

- Rain cap available as an accessory
- ABUS Bag available as accessory
