

Wall Mounting Bracket for Monitors

Art.-Nr. TVAC10500

Seite 1 von 1

This stable wall mounting bracket with internal cable routing and flexible adjustable hinges allows you to mount your CCTV monitors in a professional way. Mounting the monitor to the wall saves space at the workplace and allows you to install a monitor in locations where there is no available desktop space.

Technologies

- For wall mounting of monitors
- VESA-compatible
- Suited for monitors from 17" to 28"
- Flexible, adjustable joints
- Max. load: 15 kg
