TIMETRAIL HELMET

The GameChanger TT is the ultimate aero helmet for time trialists, track cyclists and triathletes.

With its outstanding ventilation, light weight and innovative aerodynamic shape, the GameChanger TT is perfect for speedy, as well as for hilly races. You'll gain watts and seconds on every course.

Technologies

- In-Mold: Lightweight, durable helmet with a long-lasting combination of EPS core and Polycarbonate shell
- Ponytail compatibility: Helmet well suited to plait wearers
- Excellent ventilation with 5 air inlets and 5 air outlets
- Semi-enclosing plastic ring connected to the adjustment system for optimum stability and form-fitness
- Forced Air Cooling Technology: Sophisticated ventilation system for an optimal head climate
- ActiCage: Structural reinforcement integrated in the EPS to optimise stability
- Zoom Ace: Finely adjustable adjustment system with handy adjustment wheel for customisable fit
- FlowStraps: Aerodynamic, flutter-free and skin-friendly thanks to specially developed strap profile
