

# Winner 885/185 black KF KA

## Technologies

- 9.5 mm thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork

## Usage

- Good protection at low theft risk
- Ideal for securing entry-level bicycles

## Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
- The lock is ideal as a second lock for securing components
- The lock can be ordered keyed alike with other locks, all of which are operated using the same key or locking method
