FOR DEMANDING TRAILS

The CliffHanger is the flagship trail model in the ABUS MTB series. The MTB helmet offers reliable protection when riding an enduro bike up and down steep hills.

Lighter, better ventilated and with an adjustable TriVider webbing spreader - the CliffHanger scores with these features. The special MTB adjustment system also ensures that the helmet sits comfortably and firmly on the head when rattling through the wildest of rock gardens. The inner EPS hard foam shell is foamed into a three-part outer shell, making a lightweight and sturdy helmet. ActiCage is additional reinforcement for the helmet structure that also creates space for large vents. With the CliffHanger, we have succeeded in developing a helmet that offers virtually perfect conditions for high speeds and demanding trails.

With QUIN technology integrated into the helmet, ABUS offers even more safety. The system's accelerometer enables it to detect falls and inform emergency contacts. The injured person's location is even sent via smartphone.

Technologies

- Multi-Shell In-Mould for a permanent bond between the outer shell and the shock-absorbing helmet material (EPS)
- Zoom Ace MTB: Height-adjustable adjustment system to fit the head circumference
- Ponytail compatibility: Helmet well suited for ponytail wearers
- Laterally adjustable, non-slip TriVider strap system
- State-of-the-art QUIN technology: Integrated acceleration sensor that detects and measures falls. In the event of a fall, the system notifies a pre-defined contact person
- ActiCage: Structural reinforcement integrated in the EPS to optimise stability

Seite 2 von 2

- Moulded lower shell for added durability
- Height-adjustable visor
- GoggFit: Device that allows a pair of goggles to be fixed to the helmet when the athlete doesn't need them while riding
- Ventilation: excellent ventilation through 8 air inlets and 6 air outlets
- FidLock magnetic buckle

Technical Data - CliffHanger QUIN velvet black M

Head size	54-58 cm
Helmet Visor	Yes
Helmet shield	No
Size	M
Smart	Yes
Weight	385 g
backlight	No
color of facets	black, red
design color	velvet black
EAN	4003318655579
