

# 590/150LL smoke matt smoke matt

---

## Technologies

- 9.5 mm thick, high-quality and super flexible spiral cable
- Plastic coating to prevent damage to the bicycle's paintwork
- ABUS automatic cylinder with drilling protection and user-friendly reversible key
- Two keys are supplied in the scope of delivery

## Usage

- Good protection at low theft risk
- Recommended for securing entry-level and children's bikes

## Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
  - The lock is ideal as a second lock for securing components
  - This lock is available in three different tube types (crystal, smoke, smoke matt) and also in bright children's colours
-
