

Combiloop 205/200 white

Technologies

- 5 mm thick steel cable
- Synthetic coating to prevent damage to the bicycle's paintwork
- Automatic locking at insertion of the locking bolt
- Individually settable code

Usage

- Additional security to secure accessories
- Ideal for securing leisure or sports gear as well as objects

Tips

- Cable locks stand out due to good flexibility and quite low weight
- The combination lock is very well suited for the use by several people
- Thanks to the flexible and adjustable loops, the total length of two meters can be ideally used and adapted to different objects
