

PHANTOM™ 8950/180 TexFL

Technologies

- 12 or 15 mm thick, high-quality and super flexible spiral cable
- Plastic coating in matte black look to prevent damage to the bicycle's paintwork
- ABUS Extra Classe (EC) automatic cylinder with coded reversible key

Usage

- Good protection at low theft risk
- Ideal for securing entry-level bicycles

Tips

- Coil cable locks offer a compact transport size and have an extremely multifunctional and practicable length
