

Smiley 2.0 sparkling red S

Technologies

- In-Mold for a hard-wearing, flat connection to the outer shell and the shock-absorbing helmet material (EPS)
- Visor-like front edge ensuring enhanced protection for the face
- Deep temple and neck area for increased all-round protection
- Zoom Evo Kids - precise adjustment system
- Size adjustment with a full ring made from especially hard-wearing and mouldable plastic for optimum stability and form fitting
- Excellent ventilation with 8 air inlets with fly net
- Colour-coordinated soft straps that are simple to fit thanks to practical sliders
- Passive safety thanks to reflectors
