

SHIELD™ 5650 NR black OE

Technologies

- 8.5 mm thick locking shackle
- The shackle, the case as well as supporting elements of the locking mechanism are made of specially hardened steel
- Accessories can easily be fitted to the locking mechanism on the lock housing
- The R (key retaining) version holds the key when the lock is open, the NR (non key retaining) version allows taking the key out of the cylinder

Usage

- Good protection at medium theft risk
- Recommended for securing good bicycles

Tips

- Frame locks are a convenient protection against unauthorized use of the bicycle
- The 4960, 5850, 5650 Cable and Chain connection options significantly increase security
- The use of a second lock is also particularly recommended
