

FOR THE HIGHEST SAFETY REQUIREMENTS - WATER-PROTECTED

These locks don't just make it difficult for thieves, they also keep the wind and weather at bay.

A lock that lives up to its name. Everything remains securely locked behind the 83WP & 83WPCS padlocks from ABUS. No matter whether you want to protect your valuables from theft or certain areas from unauthorised access. The shackle and lock body made from hardened special steel with NANO PROTECT™ coating also provide extreme corrosion protection.

Technologies

- Shackle and lock body made of hardened special steel with NANO PROTECT™ coating for extreme corrosion resistance
- Precision pin cylinder
- RK: cylinder can be re-keyed to match an existing key
- As required, either automatic locking = locking without a key by pressing down on the shackle, or key-retaining = locking only with a key (Z-bar)
- Extremely weather-resistant due to the full plastic coating, including cylinder protection and sealed shackle holes
- 83WP/53: Shackle can be exchanged within seconds

Usage

- To secure assets and objects of greater value or those at a high risk of theft
- To secure grates, doors, gates, cupboards, tool boxes, cellar windows, sheds, switch boxes, barriers, etc.

Variants

83WP/53 kd.
