

SAFETY WITH A FASHIONABLE TOUCH

A particularly robust ABS hard shell with an extremely large number of ventilation openings makes the Hyban Core the perfect everyday helmet for the city.

The special feature of the Hyban Core is its striking appearance. The modern colour combinations and the colour-coordinated straps make a fashionable statement for all stylish bikers. A perfect helmet for fashionable and trendy cyclists who want to set a special priority for their helmet. For all those who would like it especially coordinated, the colour-coordinated and matching bicycle lock to your Hyban Core is available with the Folding Lock uGrip BORDO™ 5700.

Technologies

- ABS hard shell technology
- Zoom Evo Easy – fine adjustment system with a non-slip adjusting wheel
- Size adjustment by means of a half ring made from particularly hard-wearing and slightly malleable plastic for optimal stability and form fitting
- Large, highly mounted and integrated LED tail light with 180° visibility
- Optimum ventilation for this helmet type with 13 air inlets and 5 air outlets
- Removable and washable padding with maximum wearing comfort
- Soft straps that are simple to fit thanks to practical strap adjusters
- Removable visor
