

New Gambit maori purple M

Technologies

- Athletic, modern design with nice shape and individual fitting possibilities
- In-Mold for durable fusion of the outer shell and the shock absorbing helmet material (EPS)
- ZoomLite - precise adjustment system with handy wheel
- Integrated LED rear light for added safety in darkness
- Size adjustment via a very adaptable 3D-optics half ring
- Very good ventilation with 10 air inlets and 10 outlets
- Removable and washable padding
- Foamed in fly net
- Soft touch straps easy to adjust by practical sliders
- Removable visor
- High passive safety thanks to a big main reflector at the back and very intense additional reflectors

Usage

- Adult and youth helmet for fitness, touring and everyday use

Tips

- This light helmet fulfils the demands of active cyclists and skaters
 - Rain cap available as accessory
-
