

# Catama 870/65 black QuickSnap RBU

---

## Technologies

- 20 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle's paintwork
- The body and structural parts of the locking mechanism are manufactured using specially hardened steel

## Usage

- Great protection where there is a low risk of theft
- Recommended for securing low-value bicycles
- The longer the chain, the easier it is to lock the bicycle to a fixed object

## Tips

- Cable locks are characterised by their good flexibility and relatively low weight
-
