

## Technologies

- Flexible and comfortable fleece bonnet with ear protection
- Seam welded for comfortable fit

## Tips

- As the bonnet replaces the normal padding, the helmet is also convenient for the winter time
- The integrated bonnet facilitates the helmet's fitting on a kids head for the parent
- The winter kit minimises health's risk through draught while riding a bicycle in low temperatures
- The adult kit is optimised for ABUS Urban-I and Lane-U helmets in their respective sizes

## Technical data - Winter Kit M
