

Number code security

The ABUS Tresor 1340 Cable Lock is a cable lock made of high-quality steel. This ABUS cable lock can protect your bike superbly in situations where the risk of theft is low. With the number code, several people can also share the same lock.

The ABUS Tresor 1340 Cable Lock can be locked quickly with its practical combination lock. The numbers on the reels are embossed so you can feel them in the dark and conditioned so they remain permanently visible. The code can be set individually after purchase, so everyone can decide their own combination for the ABUS Tresor 1340 Cable Lock.

Technologies

- 15 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Dark-touch function enables use in the dark, thanks to special number embossing
- Two component moulded digits guarantee life-long visibility
- The number code can be set individually

Usage

- Great protection where there is a low risk of theft
- Ideal for securing low-cost bicycles

Tips

- Cable locks boast excellent flexibility with a relatively low weight
- The combination lock is great for use by several people

Tresor 1340/75 KF
