

Tresor 1340/120 + Halter KF

Technologies

- 15 mm thick, high-quality steel cable
- Plastic coating to prevent damage to the bicycle's paintwork
- Dark-touch function enables use in the dark, thanks to special number embossing
- Two component moulded digits guarantee life-long visibility
- The number code can be set individually

Usage

- Great protection where there is a low risk of theft
- Ideal for securing low-cost bicycles

Tips

- Cable locks boast excellent flexibility with a relatively low weight
- The combination lock is great for use by several people
- The longer the chain, the easier it is to lock the bicycle to a fixed object
